SILICON PLANAR ZENER DIODES

in MiniMELF case especially for automatic insertion. The Zener voltages are graded according to the international E 24 standard. Smaller voltage tolerances and higher Zener voltages are upon request.

These diodes are also available in DO-35 case with the type designation BZX55C...

Absolute Maximum Ratings ($T_a = 25^\circ\text{C}$)

A white rectangular area on the right side of the page, containing a series of horizontal lines. The lines are evenly spaced and extend across the width of the white area. The top line is slightly curved, while the others are straight. This suggests a form or a document with a header section followed by a list or a table.
